

Jones Saddlery Wins Saddle Competition

October 4, 2019, was a big day for Jones Saddlery, Falls City, Nebraska. We were fortunate to take first place in the Open Geometric division during the Saddlemaker and Bootmaker contest in Wichita Falls, Texas. The saddle is built on an “Association Tree” and built by A. Brenneman with Jones Saddlery. We try very hard to build each saddle like we are taking it to a competition. — Tom (JonesGentleSaddleMules)

Congratulations, Tom and Levi! Ben and Neta Tennison — Western Mule Magazine

Pictured with the saddle is Tom Jones, along with “Boots” and “Reba”
